Professional Summary

Frontend-focused Computer Science undergraduate at VIT Bhopal skilled in building responsive and scalable web applications using **React.js, HTML, CSS, JavaScript, and Tailwind CSS**. Familiar with backend development using **Java, Spring Boot fundamentals and REST APIs**. Passionate about developing clean UI, solving real-world problems, and building performance-oriented applications.

Technical Skills

- **Frontend:** React.js, HTML5, CSS3, JavaScript (ES6+), Tailwind CSS
- **Backend:** Java, Spring Boot (Fundamentals)Microservices
- **Database:** MongoDB
- **Tools:** Git, GitHub, VS Code, Linux
- **Core Concepts:** OOPs, REST APIs, Responsive Design, Component-Based Architecture

Projects

TrueSight — AI-Powered Threat Detection System	React.js, TypeScript
• Developed a multi-format analysis platform for emails, audio files, and documents. • Built responsive frontend UI using React.js, TypeScript, and Tailwind CSS. • Designed dashboards displaying threat classification, confidence scores, and recommendations. • Integrated AI APIs with fallback mechanisms and optimized processing workflows. • Achieved 93.5% detection accuracy with real-time analysis support.	
SplunkVigil — Insider Threat Detection Dashboard	React.js, Node.js
• Built a responsive dashboard for monitoring suspicious system activity logs. • Developed reusable React components and integrated backend APIs. • Implemented dynamic UI updates and real-time threat visualization.	
Fake Social Media Account Detection	Python, React.js
• Developed a machine learning system for identifying fake social media profiles. • Created frontend interface for displaying predictions and analytical insights.	

Hackathons & Achievements

- Selected among the **Top 35 National Finalists** in CyberShield Hackathon organized by National Cyber Police.
- Developed AI-powered security solutions during Splunk Build-A-Thon Hackathon.
- Active contributor in technical workshops and community events at VIT Bhopal.

Leadership & Activities

- **Team Lead** — Notion Community VIT Bhopal
- **Core Member** — Notion Community VIT Bhopal
- **Volunteer** — NSS Unit, VIT Bhopal

Education

Vellore Institute of Technology, Bhopal	2023 – 2027
Bachelor of Technology in Computer Science Engineering	
S.P.M Science and Gilani Arts & Commerce College	2021 – 2022
Higher Secondary Certificate (Science)	

Certifications

Google IT Support Professional Certificate
Microsoft Certified: Security, Compliance and Identity Fundamentals
MERN Full Stack Developer Certification
